

Summary of the Governing Board meeting April 2017

The governing body received the chaplaincy, RE and Collective worship report from the head of department. It was very detailed and identified that there is a consistently good approach across the College.

A feedback on the consultation on the staff structure reorganisation was received.

The Principals report was received and included details on a retreat, School visit to Italy, GCSE predictions, Stations of the Cross and parents' evenings.
An update on the strategic working party was received.

The Equality Policy and Whistleblowing policies were adopted.
