

St Joseph's Catholic College

Catch-up Funding Statement 2016/17

Total grant received for 16/17 - £18,000

<u>Review of spending 16/17</u>		
<u>Item / project</u>	<u>Cost and objective</u>	<u>Evaluation</u>
Introduce accelerated reader for KS3, yr 7 funding from catch-up funds.	£3500 To implement the accelerated reader scheme, establishing reading ages accurately and using the scheme to improve these at an improved rate.	The KS3 classes that regularly reviewed books and which completed reviews and testing regularly made better than chronological progress, but the consistency of application needs to be improved, and this will be a focus for all groups in 17/18 to improve the validity of evaluation.
Carry forward funds to support accelerated reader for three further years.	£10,500	See above – to be confirmed in due course.
CPD with primary schools	£500 Cover for two members of staff to attend event at local primary school to improve literacy transition	Learning at the event, plus feedback to English department, have moved practice forward in year 7. Allan Peat sentences now used regularly to support literacy in English.
Summer school to support yr 6 to 7 transition	£2000 Support literacy and numeracy development and ease transition by running summer school in August 2017	Summer school completed successfully, impact on transition and engagement in learning positive.
Contribution to SYFL	£1000 Promote literacy and a love of reading by full participation of Yr 7 in the Swindon Youth Festival of Literature	Evaluation by student voice activity in year 7 positive.
Recruitment of primary trained specialist to run year 7 transition group in 17/18	£500 Establish new curriculum model for yr 7 pupils identified as having fallen behind in literacy and numeracy in KS2	Primary trained teacher of year 7 in post for 2017/18

Grant received for 17/18 - £18,000
